Brandon helps implement new technology into the day-to-day operations of real estate sales. In 2014 he was nominated for Inman Innovative Realtor of the Year and recognized in the local Star Tribune paper for use of aerial photography, video, and 3D tours.

He and his team continue to be on the cutting edge of technology, conducting the world's first virtual broker open using VR goggles. Brandon has a Bachelor's of Science in Real Estate from St. Cloud State University and is pursuing his Masters of Science in Real Estate at the University of St. Thomas.
